Agenda

We're working hard to finalize the full agenda of sessions & events.

In the meantime, we put a preliminary agenda online to give you a brief overview of the three days.

What to expect?

The Developers Conference 2015 will offer three days of technical sessions presented by members of our community, as well as passionate developers in the field of IT. This is your chance to share how you've used modern software technology to design, develop and deploy amazing applications. These three tracks will give everyone an opportunity to dive into the latest innovations in software application development.

Lots of opportunities of professional networking, exchange of experience with other attendees, and great fun events during the afternoon and evening hours.
